## This Month's Events...

### I LOVE TO READ WEEK

Our annual I LOVE TO READ WEEK will take place from April 9 to April 12.

This year the theme is "THE JUNGLE"

We are launching the week with a Scholastic Book Fair, which will also be opened to parents on Tuesday, April 9 from 4 to 7 p.m. (more info to come)

### REMINDERS

- Our students have been working hard all year to further develop their organizational skills. Students use homeroom period to get organized and set up for the day. Important information and instructions are given during homeroom period. Students are expected to be at school for 9:00 a.m. Regular tardiness is disruptive and hinders class organization, focus and flow. Getting our children to school on time demonstrates that we value their education.
- We are looking forward to warmer days and sunshine. Please note that despite the warmer weather coming, all students must continue to come to school dressed to play outside. It is mandatory that all students wear boots/rain boots and splash pants, as there still is mud and water in the school yard.

### EARTH DAY

Genesis students & staff will be celebrating Earth week. To commemorate this special event, the students will be participating in various activities throughout the week.

- Litter-less Lunch  
No waste, no garbage, no litter left behind. Plastic forks aren't allowed.
- School Yard Clean-up
- Nature Scavenger Walk (pre-k to grade 2).

### ASSESSMENTS

#### End of Year Assessments

It is strongly encouraged to limit absences from school during this very important assessment period. The assessment period begins in April and continues through May and June.

**The exam schedules (School Board & Ministry) will be sent out shortly, which will include the specific dates for each grade level.**

### IMPORTANT

Please note that due to the solar eclipse, April 8 is a PED day & April 19 is NO longer a PED day. April 19 will be a DAY 2.
