

Hours of Operation

We offer Daycare services during three time blocks of a regular school day:

Block A - Before School: 7:00 – 9:11 am

Block B - Lunch: 12:30 – 1:30 pm

Block C - After School: 3:35 – 6:00 pm

On Pedagogical Days the daycare is open from 7:30 a.m. until 5:30 p.m. Parents must register their children by signing them up for the pedagogical day. Since Genesis is a smaller school, we are unable to offer parents 2 options per pedagogical day (activity and/or no activity). Pedagogical day services are optional and the daycare is not permitted to run a deficit.

Parents who pick up their child after the 6:00 p.m. closing time will be charged \$1.00 for every minute after 6:00 p.m. To avoid any conflict or misunderstanding, the time will be determined by the school clocks and the daycare educator. Billing for late pickups will be included on the monthly invoice. Parents must sign a late fee form.

Closings: Daycare is closed on legal holidays and school holidays (Christmas and March break). If the school is closed for reasons beyond our control (inclement weather or other unforeseen circumstances) the Daycare will be closed as well.

Additional Information

In order to facilitate dismissal procedures, please inform the Daycare before 12:30p.m. if your child will not be attending after school.

No medication will be administered to any students while in attendance at school.

Students are required to bring a non-perishable snack for the snack period after school. This snack should be in addition to their regular lunch. Please remember that Genesis is a **Nut-safe school**.

Daycare schedules can be changed twice a year, once before Christmas and once after Christmas. Students registered in Daycare as full time users do not have access to bus services unless authorized by principal in writing and are eligible for bus. Daycare students who are part-time users that take the bus cannot alter their bus schedules on a daily basis.

Students in grade 2 to 6 have a compulsory **homework** period of at least 30 minutes. If your child does not have homework or chooses to complete it at home instead it is expected that he/she will work quietly so as not to disturb the other students.

Programs are planned by the Daycare Educators monthly. They may include arts, crafts, gym, outdoor play and special activities.

Code of Conduct

The Code of Conduct is applicable at all times during the school day and on outing - daycare included.

Students, who persistently defy the Daycare rules and put the safety and security of others at risk, may be suspended from using the Daycare services.

Safety & Security

Students may not leave daycare premises alone without written authorization from a parent (to walk home). If someone other than the child's parent is picking the child up from Daycare, written authorization must be given by the parent. In an emergency, please call the Daycare and inform them. Please give the full name of the person that will be picking up your child/children. This person will be required to show valid photo identification (driver's license/Medicare card).

Parents are required (by the government) to sign the sign out book when picking up their child from Daycare for safety and auditing purposes.

Parents and students are not permitted to circulate in the school after 3:40 p.m. Students are responsible for bringing the necessary materials with them from their class. Parents must wait at the Daycare entrance for their children to be called.
