**TERRY FOX C.A.R.E.S. WILL BE
HOSTING A SPECIAL
PRESENTATION**

**GIVEN BY Mme BRIGITTE CARRIER
FROM AUTISM LAVAL.**

Brigitte holds a degree in psychology from Université de Montréal. She has been working in the field of educational and pedagogical toys and games for the past 37 years, including 24 years as a self-employed translator, copywriter, and workshop leader.

When her eldest son Guillaume was diagnosed with autism at age 3, she was able to surround him with the best products she could find on the market. Guillaume's diagnosis naturally led her to volunteering with Autisme Laval and lecturing parents and specialists on autism (Can Children Learn how to play? How to Manage Anxiety. Plan B, Plan C. Tips & Tricks. Play to Boost Communication Skills).

Mme Carrier will be sharing her experience, resources available for parents of autistic children in LAVAL and more...

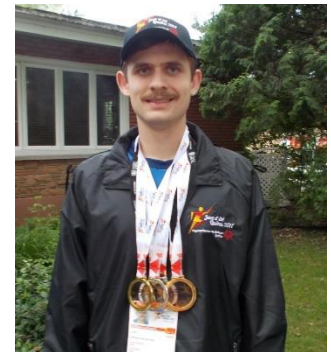

APRIL 25th 2019

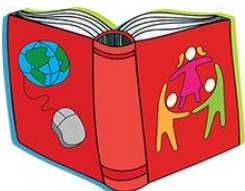

From 7pm to 8:30pm

**At Terry Fox Elementary
school**

900 , Des Lacasse, Laval

RSVP or for more information, please contact Sophia Pace at 450-680-3040 ext. 7305
